Pre-Conference Event for the IDMRN and GLADNET: *Research Issues and Themes in Disability Management*

September 18-19, 2010

Los Angeles

In 2010 the International Disability Management Research Network (IDMRN) and the Global Applied Disability Research and Information Network on Employment and Training (GLADNET) will co-host a pre-conference event, "*Research Issues and Themes in Disability Management*," at the IDFM conference in Los Angeles.

The main meeting will be held on the 18th of September, being a more formal session of short research presentations. The meeting on the 19th will be more informal to allow participants to share interests on the disability management issues and themes and generate possible collaboration.

The pre-conference meeting will be held in the 2010 IFDM conference hotel, the Wilshire Grand, <http://www.wilshiregrand.com/>, 930 Wilshire Blvd., Los Angeles, CA 90017, USA.
